EMAIL

It is the policy of the Dorset County Football Association to increase electronic mail between the County Office and its members ie: Clubs, Match Officials & Leagues.

From the commencement of Season 2009-2010 the County FA will cease to send the County Bulletin.

The ezine will be sent to every email address logged with the Dorset FA, it is therefore important that every member club lodges at least one email address that can be used to receive the County ezine, together with other information and reminders that would have previously been placed in the County Bulletin.
