Parents and Spectators Guide

Parents / Spectators have a great influence on children's enjoyment and success in football. All children play football because they first and foremost love the game – its fun. It is important to remember that however talented a child is the WhiteKnights Festival organisers request that participating team managers reinforce the message to parents / spectators that positive encouragement will contribute to:

- Children enjoying football.
- A sense of personal achievement.
- Self-esteem.
- Improving the child's skills and techniques.

Parents / spectators are encouraged to:

Give attention to each of the children involved in football not just the most talented.

- Not to shout and scream, but encourage.
- Respect the referee's decision.
- Applaud the opposition as well as your own team.
- Avoid coaching the child during the game.
- Give encouragement to everyone to participate in football.

Parents / spectator's expectations and attitudes have a significant bearing on a child's attitude towards:

- Other players.
- Officials.
- Managers.
- Spectators.

Clubs will ensure that parents / spectators attending the Festival will agree and adhere to the FA Code of Conduct and Child Protection Policy.

Let's make it a great day !
