## **CUP DENMARK TOURNAMENT**

Four members of the Dorset Referees' Academy took part in the recent Cup Denmark tournament which was held in Ishoj just outside of Copenhagen. The four Referees' had prepared by attending physical fitness sessions and academy meetings where they were given the task of making personal and group plans on how to control matches and players who come from different footballing cultures.

All of the members of the refereeing team achieved individual success and the two main finals in the tournament were officiated by Dorset Referees.

Robert Dabbs, pictured, about to referee the Cup Denmark Under 16 Final between Hartlepool (England) v Stromgodset (Norway).

Robert worked specifically on player management and reading play during the tournament.

Other matches that he officiated were MFK UPA (Czech Republic) v Asker FH (Norway), and Skeid (Norway) v UKS Lider (Poland).

Ryan Thurbin had a highly successful week refereeing at the festival taking charge of a number of the older age group matches particularly in the under 18 section.

Following observations from English and Swedish Referee coaches it was widely agreed that Ryan had consistently produced high performances and was therefore appointed to Referee the major under 18 final between UKS Lider (Poland) and the local favourites Ishoj (Denmark). The final proved to be a very difficult match during which Ryan had to issue a red card to a Ishoj player for violent conduct. Even at the end of this highly volatile match both teams and tournament organisers were complimentary of Ryan's performance.

He also took control of Junior 95 Konotop (Ukraine) v Bara GIF (Sweden).

James Durkin, pictured, about to referee the group match involving Worthing Minors from England versus Monte Libano from Brazil. Having recently been promoted to level six James worked tremendously during the week and was fortunate enough to be appointed to referee the matches between Asker FH (Norway) v Hollvikens GIF (Sweden) and also LZPN 98 (Poland) v Niendorfter TSV (Germany).

Pictured below James was appointed to Referee the Girls Under 14 Final along with his two Swedish Assistants Referees'.

Kieron Scott took charge of several highly competitive matches during the week long tournament, a number of his more prestigious matches were Luton Town (England) v FC Levadia (Estonia). Also Stars & Stripes (USA) v Anderslovsboik (Sweden). He worked particularly hard on management techniques during the festival and was called upon to demonstrate these to a high order when he took charge of a qualification match involving Monte Libano (Brazil) against Kopingebo (Sweden).

He was appointed to act as Assistant Referee on the under 18 final at the end of the tournament.

### **Girls Centre of Excellence**

The new Girls Centre of Excellence season is now under-way. Pre-season training has been an excellent opportunity for the coaches, many of whom are new this year, and the players to get to know each other and prepare for the season ahead. Fitness of the players is an area Robbie Yates, Centre Director is keen to address this year and a specialist fitness coach has been booked to work with the players during the first half of the season. The under-16's have already been put through their paces with two additional pre-season training sessions at the beach lead by head coach Paul Hubbard who has so far been pleased with the attitude of his players.

Two pre-season matches have now been played, the first saw a visit from London based club Fulham and the second a more local affair against Hampshire. The squads are now set for their season with a trip to Plymouth Argyle this weekend.
